

Daniel Harri Dalby

Web Development Student (PBA) , 38

Work Experience

Supertusch , Copenhagen - *Frontend Developer*

April 2020 - January 2021

My job here involved mostly frontend/backend development with wordpress, Concrete, Bootstrap. During my time here I learned a lot about customers and how to interact with them. Most importantly I learned about coding in a real work-environment

Supertusch , Copenhagen - *Intern*

January 2020 - April 2021

As part of my 3rd semester of Multimedia Design, I spent 10 weeks here as an intern learning everything from customer communication to backend systems.

Agrex , Valby - *Web Maintenance (Wordpress)*

February 2013 - June 2016

At Agrex I worked with maintaining the webshop as well as doing inventory of products

Topcam, Frederiksberg - *Storage / inventory*

January 2007 - December 2012

Storage work packing orders and maintaining inventory

Kemp & Lauritzen, Albertslund - *Electrician*

August 2002 - June 2007

Worked with alarm systems, private contracts and construction sites. One of the biggest projects I worked on was The Danish Opera House.

Distributions Service, KBH S - *Office Helper*

August 2002 - June 2003

Here I worked with logistics and databases. Assisting with the opening distribution of the Danish newspapers Metro Express and Urban

Aller Press A/S, Valby - *Office Helper/Piccolo*

August 2000 - June 2002

Worked at Ude & Hjemme and Kig Ind managing phonecalls, archiving images and packing orders
